EXECUTIVE SUMMARY

The main objective of this deliverable is to summarize the envisaged activities to be carried out in conjunction with other IST Projects. After a short introduction, in section 2 the main objectives and key issues to be addressed in the EVEREST project are summarized. Section 3 deals with the inter-project collaboration instruments considered in the FP6 programme, identifying the possible IST-clusters where EVEREST project could potentially contribute. Finally section 4 summarises the foreseen synergies and possible cooperation fields between EVEREST and other IST research projects.
