## EXECUTIVE SUMMARY

The scope of this document is to present the dissemination activities carried out in the EVEREST project. After a brief summary of the envisaged dissemination activities, the second section presents a short abstract of each publication. In total the partners have published 32 scientific papers and contributed with 10 presentations in workshops. The publications are ordered according the media used: scientific journals and magazines, international conferences, workshops. The section also includes a short description of the submitted papers. In section three the contributions at the standardization bodies are presented. The next section provides information about the contents EVEREST Web site. Finally, section five addresses the document conclusions.

Moreover three annexes are also included. Annex 1, with the slides presented in scenarios workshop organized by the cluster SB3G in March 2004; Annex 2, with the slides presented in workshop organized by the cluster LOBSTER in March 2004 and Annex 3, with the slides presented in the RRM workshop organized by the cluster SB3G in March 2005.

## Table of Contents

<b>EXECUTIVE SUMMARY.....</b>	<b>V</b>
